**RECEIPT OF JUVENILE OFFENDER LIVING GUIDE
(PARENTAL/GUARDIAN RECEIPT)**

Juvenile's Name: _____

I acknowledge receiving a copy of the South Dakota Department of Corrections Juvenile Offender Living Guide.

I understand that it is my responsibility to read this document. I further understand that I have an opportunity to discuss any information contained within this document with my child's Juvenile Corrections Agent or Program Personnel.

I understand that I may have been ordered by the Unified Judicial System to pay for costs associated with my child's placement within the Department of Corrections. These costs could include parental support, medical, dental, optometric and mental health services. I understand that it is in my best interest to provide the Department of Corrections copies (front and back) of all insurance and Medicaid information. I also understand that the Patrick Henry Brady Academy, Intake and Holding Center and Youth Challenge Center programs are not eligible for Medicaid coverage. Medicaid may provide coverage at the Excel and Quest girls' programs if eligibility requirements are met.

While in the custody of the South Dakota Department of Corrections, all juveniles are potentially eligible for Medicaid coverage regardless of his/her parent's income. However, upon the juvenile's return to the physical custody of a parent(s), the juvenile would no longer meet eligibility criteria through the Department of Corrections. If you believe your child may meet the eligibility criteria then you must apply for Medicaid coverage through your local Department of Social Services' office. The Juvenile Corrections Agent will not be able to do this for you.

I understand that if my child is receiving Social Security or Supplemental Security Income payments from the Social Security Administration that I am not eligible to receive those monies during the time my child is in the Department of Corrections' custody. I understand that the Department of Corrections may become the payee of those monies during that time.

Parent's Signature

Date

- Retain the completed form in the juvenile's central file located with the JCA.
- Provide a copy of the signed form to the parent/guardian.

SECTION I. INTRODUCTION

INTRODUCTION

This handbook is designed for juveniles committed to the South Dakota Department of Corrections juvenile system. On the following pages you will find information about the programs available to you and the rights and responsibilities under this system. There is also general information to help you understand the normal routine you will need to follow while in placement.

READ THIS HANDBOOK CAREFULLY. If you do not understand something, ask a staff person to help you because you are expected to understand and live by these rules and regulations. Specific information about topics in this handbook may be obtained from staff.

Other information is also available in posted regulations, housing unit rules, policies and operational memorandums available at the facility in which you are housed.

AN IMPORTANT MESSAGE

Most juveniles want to complete their program as soon as possible. Following the rules and regulations of your program is essential to successful completion. However, some juveniles may choose to disregard the rules and jeopardize the safety and well-being of others.

If a disturbance, assault or demonstration is started, follow the directions of the staff person in charge. Juveniles who take part in such behaviors will face disciplinary action and possible criminal prosecution. Avoid any behavior that might connect you with the trouble in any way.

It is the policy of the Department of Corrections to segregate troublemakers from other juveniles. This is done to provide a safe environment for those who abide by the rules. Assisting with the safety of the institution is also your responsibility. You are required to report any plans or actions that may threaten the safety of others and the facility. Failure to do so may result in disciplinary action against you (see the list of your responsibilities on page 16).

You are not permitted to engage in sexual activity with staff or other juveniles while incarcerated at a DOC facility, contract facility or while housed at a detention facility. Engaging in any sexual activity with staff or other juveniles, even if you consider it to be consensual, is a violation of the Major Prohibited Acts.

THE PRISON RAPE ELIMINATION ACT (PREA)

The South Dakota Department of Corrections (SDDOC) has a zero-tolerance policy relating to sexual assault/rape of a juvenile. The SDDOC will cooperate in the investigation and prosecution of anyone involved in a sexual assault/rape.

For more information refer to the Department of Corrections policy on *Prevention of Offender Sexual Assault/Rape*.

REPORTING OF ABUSE

It is your right to be free of abuse while in a facility. If you believe that you are in danger or have been abused, report your concern to a staff member so action can be taken to ensure your safety. IF ANOTHER JUVENILE OR A STAFF MEMBER HAS PHYSICALLY OR SEXUALLY ASSAULTED YOU, REPORT THIS TO A STAFF PERSON AS SOON AS POSSIBLE. You are provided access to the Juvenile Corrections Monitor. The Monitor is frequently on each campus and has provided each program with lock boxes where individuals can report any allegations or instances of abuse.

JUVENILE CORRECTIONS MONITOR

The role of the Department of Human Services' Juvenile Corrections Monitor:

- To investigate allegations of abuse or neglect in state-run juvenile corrections facilities.
- Provide training to DOC employees.
- Provide a semi-annual report to: the Governor, the Legislature, the Corrections Commission, the Secretary of Human Services and the Secretary of Corrections.

HOW DO I REPORT POSSIBLE ABUSE OR NEGLECT TO THE JUVENILE CORRECTIONS MONITOR?

- 1) Make a phone call to: (605) 773-5990 or 1 (800) 265-9684 and ask for the DHS Juvenile Corrections Monitor
- 2) Write a letter to: DHS Juvenile Corrections Monitor, Department of Human Services, Hillsvie Plaza, E. Hwy. 34, c/o 500 E. Capitol, Pierre, SD 57501
- 3) Send an email to: Infodhs@state.sd.us
- 4) Use the lock box at each facility

WHAT HAPPENS IF A REPORT OF ABUSE OR NEGLECT IS MADE?

An evaluation of the report will be made and if appropriate:

- The people involved will be interviewed.
- Records will be reviewed.
- Corrective action will be recommended.
- A report will be made to the Secretary of Corrections, the Secretary of Human Services, the Government Operations & Audit Committee and the Governor.

IF I MAKE A REPORT OF ABUSE OR NEGLECT WILL MY IDENTITY BE DISCLOSED?

No. The identity of the person making a referral of abuse or neglect will be kept confidential.

PARENTAL RESPONSIBILITY

The parents, guardians or custodians of a juvenile who has been committed to the Department of Corrections will maintain financial responsibility of the juvenile according to South Dakota Codified Law § 26-7A-42. The committing judge determines what amount of parental support should be paid to the Department of Corrections for the care, custody and control of the juvenile. Parents or guardians remain responsible for medical and dental costs while their child is in a state or private facility in accordance with the court order. Any health and dental insurance coverage must be reported to the Juvenile Corrections Agent as soon as possible.

PERIOD OF COMMITMENT

You have been committed to the Department of Corrections until age twenty-one or until discharge. The actual length of stay in a placement and under the guardianship of the department depends on several factors including your history of offenses, behavior while in institutions and successful completion of an aftercare program.

SECRETARY OF CORRECTIONS AS GUARDIAN

The Secretary of Corrections is your guardian during your period of commitment to the Department of Corrections. The Secretary of Corrections can appoint the person in charge of a public or private institution or program in which you are placed as your custodian.

SECTION II.

INTAKE, CLASSIFICATION AND INITIAL PLACEMENT

JUVENILE CORRECTIONS AGENT (JCA)

When you are committed to the Department of Corrections, you are assigned a Juvenile Corrections Agent (JCA). The JCA will maintain contact with you, your family and service providers in the community throughout your period of commitment. The JCA may also make recommendations to the Chief Executive Officer of an institution, the Director of Classification & Community Corrections or the Secretary of Corrections regarding changes in your placement. The JCA will monitor your progress while in placement.

THE INTAKE PROCESS

Intake involves the initial collection of data and information about you from a variety of sources, which will be used to guide the decision making process regarding your placement. The information gathered in the intake process may also assist the JCA in developing a case plan for your residential care and aftercare stages of commitment to the Department of Corrections.

Intake also involves providing information to you and your family about the juvenile corrections system. The goal of the intake process is to provide you and your family with information about what it means to be committed to the DOC. Input from the juvenile and parents and guardians is very beneficial during the intake process.

Intake also involves assessments, which may be conducted at state facilities, detention centers, private placements or while you are at home. The Department of Corrections will determine the location of the assessment part of the intake process.

The assessment process involves identifying the areas of concerns and needs. You may receive a physical, be assessed for special medical needs, chemical dependency issues, sexual abuse or offender needs, mental health concerns and educational needs. These areas may impact your classification and placement.

DNA TESTING

Every juvenile that is adjudicated delinquent for a qualifying felony offense and committed to the Department of Corrections will provide a DNA sample pursuant to SDCL 23-5A and according to DOC policy 1.3.C.10 *DNA Testing*.

DNA testing simply requires collection of fingerprints and saliva from qualifying juveniles. This data is then sent to the state laboratory in Pierre for recording.

CLASSIFICATION – ASSESSMENT – CUSTODY LEVELS

Through the standardized risk assessment system (YLS/CMI), your risks, needs and responsivity factors are assessed and directly linked to decisions regarding custody level, placement, case planning and supervision levels. It determines the level of supervision required for you, and ensures the security of each facility, the safety of staff, other juveniles and the public.

The factors considered in determining risk levels include prior and current offenses, family circumstances/parenting, education/employment, peer relations, substance abuse, leisure/recreation, personality/behavior and attitudes/orientation. The higher your classification, the higher the level of supervision you will receive. Risk factors along with the special needs assessments are the criteria for determining your placement.

You are subject to transfer from any facility, program or service at the discretion of the Chief Executive Officer of the facility, the Secretary of Corrections or the Director of Classification & Community Corrections.

PRIMARY PLACEMENT

Primary placement is your first placement in a facility or program after completion of the intake process. Your placement is guided by the standardized risk assessment system (YLS/CMI) and managed by the Director of Classification & Community Corrections.

STATE PLACEMENT

The following is a list of the state juvenile facilities and the location of the facilities as a reference for you and your family.

- ◆STAR Academy, 12279 Brady Drive, Custer, SD 57730
- ◆Q.U.E.S.T., 25298 Badger Clark Road, Custer, SD 57730
- ◆E.X.C.E.L., 25292 Badger Clark Road, Custer, SD 57730

Juveniles scoring higher on the (YLS/CMI) or having special needs may be placed in a more secure facility or in an out-of-state program.

SECTION III. STATE FACILITIES AND PRIVATE PLACEMENT

INSTITUTIONAL PROGRAMS AND PROGRAM STAFF

You will be assigned to a program and program staff by the Chief Executive Officer of the facility. Program staff are a good resource to answer any questions that you may have about the program or the facility. Program staff will work with you to address any serious problems you may encounter.

If you transfer to another juvenile correctional facility within the Department of Corrections, you will have new program staff assigned to you. The new program staff will be provided with the necessary information concerning your status, previous program involvement and goals. You will maintain a JCA throughout your period of commitment.

LIVING QUARTERS

The care and cleaning of your living area or room is your responsibility.

Any structural problem (leaking faucets and toilets, defective light fixtures, etc.) must be reported to staff. Defacing or damaging your living quarters or any other property in any way is prohibited. You will be financially responsible for damage you do to state property and you may face disciplinary action (see the list of Major Prohibited Acts #23).

PERSONAL PROPERTY

In some programs you may be allowed to have certain items of personal property. Lists of allowable personal property and approved ways of obtaining these items are available through staff at each facility. Each juvenile facility will have different allowable and restricted personal property items.

Program staff cannot ensure the safety of personal property from loss, theft, or damage resulting from acts or omissions by you or other juvenile offenders.

Items of personal property that are not allowed at the facility are considered contraband and will be disposed of in accordance with the facility's established policy.

CONTRABAND

Any item not authorized for you to have is contraband. Approved items may be contraband if they have been altered, are possessed in higher quantity than authorized, are obtained from an unauthorized source or are used in ways for which they were not intended.

You will be held responsible for contraband found on you, in your living quarters, at your work area or in a storage space assigned to you. Contraband will be confiscated and may be sent to your family at your expense or disposed of in accordance with established policy.

SEARCHES

You, your possessions, work area and living quarters are subject to search at any time.

COUNTS

A count is an official tally to ensure that all juveniles are in their proper location. A count may be taken at any time.

PERSONAL CLEANLINESS AND GROOMING

Provisions will be in place to provide you with enough clothing to maintain a neat and clean appearance. You will take a shower and change your clothing regularly.

Department of Corrections' facilities may require that you wear specific clothing/uniforms and that you follow certain grooming standards.

Alteration of clothing is not permitted. Altered clothing will be confiscated. Worn out or torn clothing may be exchanged.

Hair must be kept clean and neat in appearance and cannot pose a safety or sanitation threat to your work or program assignment.

FOOD SERVICE

You will be allowed three meals each day.

Your face, hands and hair should be clean for every meal. Shoes and shirts must be worn in the dining area. Use good table manners and leave your table and eating area as neat and clean as possible. Shouting or movement from table to table is not allowed in dining areas.

Medical orders for a special diet will be handled according to established policy.

HEALTH SERVICES

The Department of Corrections will provide for necessary medical care for you while you are in custody. Such services include medical, dental, mental health, optometry and emergency medical care. Contact program or medical staff to access health services.

TOBACCO PRODUCTS

All Department of Corrections' juvenile facilities are tobacco and smoke free. You are not allowed to use or possess tobacco products. Juveniles on aftercare are expected to adhere to state law prohibiting the use or possession of tobacco products for youth under the age of eighteen (18) and are subject to court fines and/or other penalties as outlined in their aftercare contract.

FINANCIAL ACCOUNTS

The Department of Corrections will manage any money that you receive while in our custody. The Juvenile Banking System will maintain these funds for you. In some private facilities you may have a general account set up in your name intended to pay for court ordered sanctions, restitution, child support and any other expenses that you incur. You may request a statement of your account through your JCA. A request for disbursement of funds may be made through your JCA or Program Manager.

COMMISSARY

You may be allowed access to a commissary to purchase food products, toiletries and other items according to the guidelines of the facility in which you are housed. Some juvenile facilities do not provide for a commissary. Items purchased at the commissary will be deducted from your general account. Trading, buying, selling or holding property for others is forbidden.

MAIL

Incoming and outgoing mail is subject to inspection. All correspondence must be sent via the United States Postal Service or UPS pursuant to facility rules, and will not be passed through staff, visitors or other juveniles. Packages may only be received from authorized sources and within facility guidelines. The DOC will pay for a limited amount of out-going mail each week in accordance with policy or operational memorandums.

TELEPHONE PRIVILEGES

All juveniles are eligible for telephone privileges. One ten-minute outgoing call per week is allowed after you have completed an initial orientation period. Incoming calls are only allowed if they have been pre-approved through the Treatment Directors and/or Program Managers. The institution will notify your parents or custodians of the times established for phone calls. Calls may be monitored for safety reasons but telephone calls with your attorney will not be monitored. If violations of the phone privileges occur future calls could be restricted.

VISITING

The DOC encourages contact between you and your immediate family members if the contact is appropriate. Opportunities for visitation vary by facility. Your parents will be notified of visitation rules by the program staff. Visitors are encouraged to contact the facility prior to the first visit to ensure the days and times that you are allowed to have visits.

Visitors may be subject to background check prior to the visit. Visitors may be subject to search. However, a visitor may choose to leave the facility rather than submit to a search, but refusing to submit to a search may result in a denial of future visiting privileges.

Violation of visiting rules may result in the termination of your visit or the loss of visiting privileges.

No items may be given to you during a visit unless authorized by the program manager, director, or CEO of the facility.

RELIGIOUS ACTIVITIES AND PROGRAMS

Religious activities are provided on a voluntary basis. You are welcomed and encouraged to get involved in these activities. You are to conduct yourself in an appropriate matter, showing respect for the faith and practice of others, as well as your own.

URINALYSIS/BREATH ANALYZER TESTING

Urinalysis testing and/or breath analyzer testing programs are used to detect the use of drugs, alcohol and unauthorized substances. Refusing, altering, circumventing, or failing to produce a urine sample or breath sample is against DOC rules and you will be subject to disciplinary action. You will be tested on a periodic, random and for cause basis. Your offense history, prior use history, dependency and recovery status will determine the frequency of periodic testing.

ADMINISTRATIVE REMEDY FOR JUVENILES

If you are unable to resolve a complaint through informal contacts with staff members, you may seek formal review of your complaint through the use of the Administrative Remedy for Juvenile Offenders. You may also appeal disciplinary and classification actions through this procedure. Forms for filing complaints and appeals, and details on how the procedure is to be followed can be obtained from unit staff. Refer to DOC policy 1.3.E.3 *Juvenile Administrative Remedy Procedure*.

DISCIPLINARY ACTIONS

You will be subject to disciplinary action and sanctions for violating any of the Prohibited Acts listing in this Living Guide and/or listed at your institution. Violations of Prohibited Acts may also negatively impact your classification status and your date of release to aftercare. Any violation of a Prohibited Act may result in a reassessment of your custody level and may result in the imposition of sanctions, which include but are not limited to:

- Imposition of fines
- Additional assignments
- Community Service Work
